AUDITORS' REPORT

To the Directors of The Students Commission of Canada

I have audited the balance sheet of The Students Commission of Canada as at December 31, 2015 and the statements of general fund revenues and expenditures and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation

In my opinion these financial statements present fairly, in all material aspects, the financial position of the Organization as at December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The Students Commission of Canada Notes to the Financial Statements As at December 31,2015

1. NATURE OF OPERATIONS

The Students Commission of Canada the "Organization) was incorporated in Canada on September 18, 1992 as a non-profit corporation and was granted Registered Charitable status # 88633947- RR -0001 on December 23, 2003. The Organization's mandate is to assist youth to prevent, address and overcome economic, social, emotional and academic issues faced by youth.

The Students Commission of Canada is guided by the meaningful participation of youth in the development and implementation of all its programs, by Youth Advisory Committees and Networks, and through the appointment of youth to its Board of Directors. Adults in the Organization conduct themselves as adults allies.

All volunteers, directors, and participants agree to observe the Students Commission's four pillars "Respect, Listen, Understand and Communicate" as outlined in its Philosophy Statement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements include all the revenues and expenditures recorded in the books and records of the organization.

The Organization's activities include time and services donated by a substantial number of volunteers. Since no objective basis exists for recording and assigning values to these goods and services, they are not reflected in these financial statements. It is management's contention that, if these goods and services could be valued, the imputed revenue attributable to these goods and services would materially increase the revenues of its operations.

Revenues and Expenditures

Revenues and expenditures are recorded on an accrual basis.

Income Taxes

On December 23,2003 the Students Commission of Canada was registered as a Registered Charity which is non-taxable under Section 149(1) of the Income Tax Act.

The Students Commission of Canada Notes to the Financial Statements As at December 31,2015

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingencies at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting period. Actual results could differ from those estimates.
